

MINI HELPADENT CAR

Cod. S-OF100-003-MH-C

Mobile unit, flow rate 50 l/min, 3 liter stainless steel tank. Complete with dry silent compressor, air-water syringe, two Midwest type couplings for turbines and water container. All models are available on wheels (final code -C) or stationary.

The ideal applications for the Mini Helpadent line are:

- ventilators and N-CPAP units
- mobile dental units
- veterinary medicine
- laboratories
- in general all those applications where oil-free air, clean air and silence are required.

Dental Chairs: 1

Medical Device CE 0425
