

CENTRALAIR 9

Cod. PR-OF5400-400

CENTRALAIR 9 is an oil-free compressor with a capacity of 4.050 l/min at 5 bar and an adjustable maximum pressure from 8 to 10 bar. The electronic control board manages the running of the pumping units to provide constant operating pressure to the compressed air system. Air receiver with internal surface treatment against corrosion, filtration system and drying system are available on demand. Measures and weight indicated in the datasheet below do not include the filtration system, the dryer and the air receiver. Designed up to 70 working places for maximum 45 operators working simultaneously.

 Maximum simultaneous use: 60

 Dental Chairs: 70
